(c) which of these units have been given incentives for improving their performance?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) and (b) The details of comparative performance of individual enterprises for the last three years ending 1985-86 are available in the Public Enterprises Survey 1985-86, Volume 3 placed on the Table of the House on 27th February, 1987. The factors contributing to improved performance vary from enterprise to enterprise. However, in the general better capacity utilisation, improved productivity, adoption of better management practices including financial management etc. are some of the contributing factors. A write-up in respect of each individual enterprise is also available in Volume 2 of the Public Enterprises Survey.

(c) No direct incentive is given by Government to the enterprises for improving performance. They are expected to work efficiently and their performance is closely monitored by the administrative Ministries/Departments at periodic intervals.

PFY manufacture by M/s Reliance Industries

79. SHRI CHIMANBHAI MEHTA: Will the Minister of INDUSTRY be pleased to refer to the answer to Unstarred Question 1793 given in the Rajya Sabha on the 11th August, 1986 and state:

(a) what was the changed location, production capacity and the base denierage for which Reliance had asked for in their amended industrial licence application for manufacturing Polyester Filament Yarn; and

(b) what was Reliance Industries Limited's production of Polyester Yarn during the last five years together with the approved licensed capacities?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETROCHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) The revised application submitted by M/s. Reliance Industries Ltd. on the 24th November, 1980 was for manufacture of Polyester Filament Yarn for a capacity of 10,000 tonnes per annum (40 Denier) for location in Maharashtra instead of Gujarat.

(b) The information is given below:

Year	Licensed Capacity (tonnes)	Production (tonnes) (Approx)
1982-83	10,000	6,060
1983-84	10,000*	13,840
1984-85	25,125	20,430
1985-86	25,125	24,200
1986-87	25,125	30,410

*The capacity was enhanced to 25,125 tonnes / annum under re-endorsed scheme on 15-11-1984.
